Boy's kidnap sends shockwaves in city

Police hunt for four men, their vehicle ▶ Ransom factor not confirmed yet

Mysuru, June 24 (MTY&BCT)- A 12-year-old son of a doctor couple in Kuvempunagar was kidnapped by four men last evening and was released on the city outskirts in the night. The boy is now in the custody of his parents and the Police have spread a dragnet to nab the four men.

The boy and his parents have been taken by the Police to an undisclosed location this morning, away from the media glare. Shockingly, the kidnap took place in front of a couple of eyewitnesses and the Police have obtained their statements late last night.

Though confirming the kidnap incident to the media this morning, City Police Commissioner Dr. Chandragupta refused to divulge any further details on the kidnap, ransom, kidnappers, the vehicle used and other data. "The investigation is on and if we leak out details at this juncture, then the probe will be hampered. We have brought the boy safely and that was a priority for us. Teams are on the job," he said.

Sources said that the boy, his parents and a couple of eyewitnesses have been brought to the Kuvempunagar Police Station this noon to glean more information about the vehicle and the kidnappers.

Recounting the incident in front of the Police and a few media persons, the boy said that he was on his usual evening cycling practice when kidnappers caught him and bundled him into a car 150 metres from his house at Srirampura near the Lingambudhi Lake Road.

Boy's usual routine

The boy left his house on his bicycle at around 6.45 pm as the evening was bright. He followed a particular route every day and went about that route a couple of rounds. The boy noticed that it is either a dark blue or a grey car with a yellow board registration plate with KA-01 written on it, but could not identify the rest of the numbers.

As he completed one or two rounds, the kidnappers saw him approaching their car from behind. According to eyewitnesses, one of the kidnappers suddenly opened the back door of the car and pulled the boy inside. The time was between 7.10 and 7.20 pm then.

Brave boy fought back

After bundling him, the car moved for about 20 metres with the boy's legs protruding.

EDITOR'S BOTTOMLINE

The line-up for next month's Presidential election is now clear with the announcement of candidates by the BJP-led NDA and the Opposition parties. The candidature of Odisha's tribal activist and former Jharkhand Governor Droupadi Murmu, named by the BJP, is not a surprise as it was known that she was at the top of the list of the party's probable candidates. Former Union Minister and Trinamool Congress leader Yashwant Sinha is the nominee of the Opposition parties.

The choice of a woman and a tribal leader for the office is in line with the BJP's political plans. She is certain to win the election in the present scenario dominated by the BJP and its allies. Murmu will be the second woman President of the country. The BJP has recently set much store by the women's vote. It has also tried to reach out to the Scheduled Castes and Scheduled Tribes (SCs & STs), and so a candidate from a tribal community would be an appropriate successor to a President from an SC community. It is part of the party's plan to change its political and social profile. The BJP may also have reckoned that Murmu's candidature will benefit the party in the Assembly elections in Gujarat, Jharkhand and Chhattisgarh, States with sizeable tribal populations. It will also ensure the support of the BJD in the Presidential elections. It should be noted that Odisha is a State where the BJP has serious plans to expand. — *In Deccan Herald*

Woman weighs just 25 kg after losing 40 kg in a year

Hebei: A 30-year-old slimming-obsessed woman has become the face of the Asian country's obsession with slimness after losing 40 kg in a year despite weighing only 65 kg to begin with. The unnamed woman, who reportedly hails from China's Hebei province, lost over 40 kilograms over the last year, after extreme dieting caused an eating disorder. She apparently decided to adopt a very restrictive diet after delivering her second baby, as her weight had reached 65 kilograms. Within a year, she lost over half her body weight and started experiencing serious health problems.

Doctors at a hospital in Hengshui city were shocked to see that the woman weighed just 25 kilograms. She was suffering from multiple organ failure, heart failure, hair loss, gastrointestinal problems and had stopped menstruating.

Woman shocked to learn her husband is a woman

Jambi: An Indonesian woman who recently learned that she was part of a same-sex marriage claims that she never knew her husband of 10 months was actually a woman.

A 22-year-old woman from Jambi City, known only by her initials, NA, met her deceitful husband on an online dating app. After dating for a couple of weeks, the man came to stay with her for about a week, during which he even helped her take care of her parents, who were sick at the time, so when he proposed to NA a few weeks later, the parents quickly gave them their blessing. Soon after she got married, NA and her family started noticing weird things about the young man that made them suspicious.

When NA confronted her husband, he took off his clothes, revealing what NA's mother had suspected, that he was actually a woman. Left with no other choice, the deceitful woman confessed that she had lied about everything, including her job.

REALLY...?

- ***In 1BC, Julius Caesar created a law which stated that only rulers of Ancient Rome would be permitted to wear pearls. This is because pearls were seen as a strong indication of social class in Ancient Rome. They were considered to be a symbol of wealth and prestige, and as such, Caesar wanted to ensure that they were reserved for those of the highest class only.***
- ***Cleopatra used pearls to win a bet.***
- ***Occupational diving is now subject to stringent rules and regulations, as legislation is used to maximise safety for all divers, including pearl divers. However, pearl divers previously risked shark attacks on a frequent basis. In fact, according to National Geographic, in the late 19th and early 20th Centuries, the mortality rate for divers was believed to be a staggering 50%.***

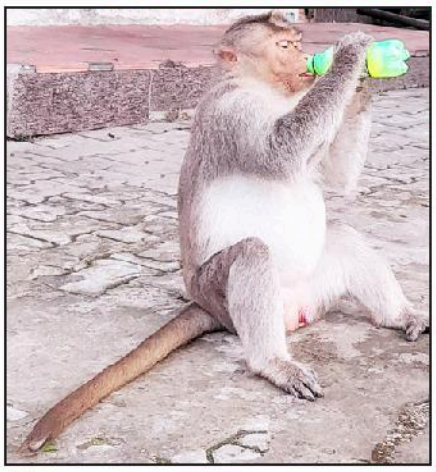
Monkey menace at Chamundi Hill



Sir,

The monkeys near the temple atop the Chamundi Hill are proving to be dangerous to the visitors of late. They roam around without fear of humans and attack those who are carrying bags containing fruits and prasadams collected inside the temple. While it is a comic sight for the bystanders, it must undoubtedly be a traumatic experience for the targets of these simians.

I was a witness to several attacks during my recent visit to the hill temple. I was especially very perturbed to see one giant sized monkey waylaying one pilgrim *(see photo)*. It was not satisfied with a banana that it was offered. The poor fellow must have had a minor heart attack on seeing such a big monkey with such sharp teeth, standing non-chalantly, holding on his knee.

Finally, it jumped up and made away with the entire carry bag that he was carrying in his hands. It was obvious that it had taken a liking to the soft drinks that the pilgrims carry in their hands. Hope the authorities take suitable measures to curb the menace, before any untoward incident happens, which would prove fatal to some pilgrims. Till then, it is suggested to the pilgrims that they carry a bamboo stick of sorts with them to ward off such attacks, when they visit the hill next.

Lord Jagannath Car Festival rituals from June 30 to July 12

Lord Jagannath at the altar before the snan rituals. Picture right: Deities during normal puja and alankar.

Mysuru, June 24 (BCT)- The Car Festival of Bhagavan Vishnu Avatar Lord Jagannath will be celebrated for the first time in Mysuru at Vidyaranyapuram where the Puri Jagannath Temple has been built by Puri Jagannath Cultural and Welfare Trust, Mysuru.

The temple is located off H.D. Kote Road, opposite Friendly Motors Service Centre. The temple, a first of its kind in Mysuru, was established on Aug. 31, 2021 and so far, hundreds of devotees have visited the Temple. There are more than 5,000 Odias staying in Mysuru and apart from Odias, there are many other regular visitors to the Temple.

As per the specifications and religious significance, the idols of Lord Jagannath, Balabhadra, Subhadra and Sudarshana have been set up along with other deities like Lord Shiva, Parvathi, Ganapathi, Nandi, Mahalakshmi, Anjaneya, Navagrahas, Vamana, Laxmi Narasimha, Varaha and Garuda.

The wooden sculptures of Lord Balabhadra, Devi Subhadra and Lord Jagannath (Holy Trinity) have been carved out of sacred Neem tree as per Odia tradition.

According to Ghanashyam Pradhan, Managing Trustee, Puri Jagannath Cultural and Welfare Trust, the last darshan of Lord Jagannath was on June 14 this year on the 'Deva Snana' Purninia Day. On this day the deities had their annual bath.

As per the belief and tradition, after the 'Deva Snana,' the Gods (Jagannath, Balabhadra, Devi Subhadra and Sudarshan) were infected with cold and were put under isolation (quarantine) in a dark room *(Anasaraghar)* for 15 days.

The Gods will come out of 'Anasaraghar' on June 30 and give 'Navajoubana Darshana' to the devotees followed by 'Rathjatra' the next day on July 1. All the rituals at the temple are performed like they are performed at the Lord Jagannath Temple at Puri, in Odisha.

Deva Snana of Prabhu Jagannath.

After the rituals, the Lord's chariot will be pulled with the help of thick ropes by the devotees at 12 noon. The chariot is being readied in the Temple premises and expert chariot makers have been put on the job.

Since he is Jagannath — the Lord of the Universe — he wishes to come outside the Temple only once a year and give darshan and blessings to the devotees who cannot enter the Temple for eight days.

Devotees will be awaiting their beloved Lord sitting outside his abode. 'Bahuda Jatra', the return journey will be celebrated on July 9 and 'Suna Besha' ritual will be done on the chariot on July 10 followed by 'Adhar Panna' (offering of Sarvat) to the deities.

Finally, the deities will enter the Temple ('Neeladri Bije') on July 12. The normal puja, aarti and darshan of deities will continue as usual.

Boy's kidnap sends shockwaves in city

(Continued from page 1)

The little one was resisting kidnap and was shouting for help. After some moments, the car doors shut and the vehicle sped away towards Lingambudhi Lake.

According to eyewitnesses, it looked like a well-planned act where the kidnappers knew the boy's routine and also his background. They said that two hours before the kidnap, the car was spotted circling the area and the occupants were making enquiries about the doctor couple and their son. They said that the vehicle looked like the one that was taken from a car rental firm and the kidnappers knew the exact route the boy took from his house to reach the cycling path. The boy told the Police and the media persons that one among the kidnappers limped while walking. After taking the boy, the car reached Lingambudhi Lake and entered the Ring Road and headed towards villages.

Meanwhile, eyewitnesses discussed among themselves that the boy was the son of the doctor couple as they were well-known in the area. They immediately informed the Police Control Room and the PCR van attached to Kuvempunagar Police Station reached the spot. A *nakabandi* was enforced to prevent the suspect's vehicle from getting away.

Kidnappers offered biscuits, chocolate to boy; he refused

Mysuru, June 24 (MTY&BCT)- The 12-year-old boy who was kidnapped from Srirampura last evening was offered chocolates and biscuits. "I refused them. Initially, I was scared and later, I spoke with them and they treated me well," the boy told the Police and media persons.

After hitting the outskirts of the city, the car travelled a distance of around 15 to 20 kms and covered the places beyond Dattagalli, Bogadi and Gaddige. The boy said that he had heard one of the kidnappers speaking that the fuel in the car would last only 5 kilometres.

"They stopped at many places looking for beedies to smoke and even entered some of the shops," the boy recounted. The boy even told the Police that he could identify the kidnappers if paraded in front of him.

Sources told *Star of Mysore* that the boy's parents got a ransom call at around 8.30 pm. The Police, however, have refused to confirm the ransom part at this juncture and only said they were investigating.

The kidnappers released the boy on Gaddige Road and this was communicated to the parents by one of the kidnappers. A Police team dressed in mufti went to the area in a vehicle owned by Chamundeshwari Electricity Supply Corporation (CESC) but could not locate the boy as he was hiding behind a bush.

Later, another Policeman went to the same place on his bike and seeing the lone traveller, the boy came out of the bushes and sought a drop till his home. The Cop told the boy that he was looking for him and took him home safely.

Tracking kidnappers

Based on the clues given by the kidnapped boy, the conversation of the parents with the kidnappers and the testimony of the eyewitnesses, the Police are tracking the criminals. CCTV footage of the cameras installed near the area of kidnap, Lingambudhi Lake, Bogadi Road and other shops in the locality is being screened.

As the kidnappers were looking to buy beedies, Policemen are visiting the shops on the outskirts for any clues. Mobile tower locations, mobile numbers commonly found at a particular time near the place of the incident and adjoining areas are being listed, Police sources said.

Murmu files nomination

(Continued from page 1)

In a brief statement to the media on the same day, Murmu had said, "I thank all and seek cooperation from everyone for the Presidential election. I will meet all voters (lawmakers) and seek their support before July 18."

From the Santhal community in Odisha, the 64-year-old was named the Presidential nominee of the BJP-led NDA on Tuesday night, hours after former Union Minister Yashwant Sinha was declared the joint nominee of major Opposition parties including the Congress, TMC and NCP.

Murmu's election is almost certain given that the numbers are heavily stacked in favour of the ruling NDA. Her candidature, announced by Nadda following a meeting of the party's Parliamentary Board, appeared to have put some of the Opposition parties in a spot, especially the Jharkhand Mukti Morcha (JMM), which draws its electoral strength from tribal votes.

Aortic valve implanted on four patients without open heart surgery

Mysuru, June 24 (MTY&KS)- Doctors at Sri Jayadeva Institute of Cardiovascular Sciences and Research in city, for the first time, have implanted aortic valves on four patients through Transcatheter Aortic Valve Implantation (TAVI) procedure without performing open heart surgery, according to Sri Jayadeva Institute of Cardiovascular Sciences and Research Director Dr. C.N. Manjunath.

Dr. Manjunath, who visited the hospital yesterday, inspected the heart procedure personally and also enquired the health of patients who are undergoing treatment.

Speaking to media persons, Dr. Manjunath said that aortic valve of the heart was earlier being replaced through open heart surgery, but now, the valve is being implanted without performing the surgery through a new method.

He further said that at the Mysuru Jayadeva Hospital, the aortic valve has been implanted using angiogram technology through the vein of the leg.

Pointing out that four patients underwent the new procedure and aortic valves have been implanted in city's Jayadeva Hospital yesterday, Dr. Manjunath said that a team of doctors led by Cardiology Department Head Dr. B.C. Srinivas and Professor Dr. K.H. Srinivas conducted the implantation procedures on four patients, who are healthy and will be discharged from the hospital in two days.

Stating that this implantation procedure will cost Rs. 20 lakh, Dr. Manjunath said that the procedure was done at 50 percent discount while the procedure on one patient was done free of cost. "It is a record that aortic valves were implanted on four patients in a single day," he added.

On the occasion, Dr. Manjunath inaugurated the fourth Operation Theatre at the hospital. Jayadeva Hospital Medical Superintendent Dr. K.S. Sadananda, Dr. Anusuya Manjunath, Dr. Harsha Basappa, Dr. Santosh, Dr. Rajith, Dr. Jayaprakash, Dr. Veena Nanjappa, Dr. Bharathi, Dr. Dinesh, Dr. Srinidhi Hegde, Dr. Rashmi, Dr. Devaraj, RMO Dr. Pashupathi, Nursing Superintendent Harish Kumar and others were present.

Slew of protests staged in city

Mysuru, June 24 (RKB&SSM)- The city witnessed a slew of protests this morning as many organisations staged demonstrations at various venues for different reasons.

Samyukta Horata Samithi

Samyukta Horata Samithi, Mysuru Division Committee, staged a protest in front of Deputy Commissioner's (DC) Office as part of its nationwide protest against the Centre's Agnipath military recruitment scheme. The nationwide protests are being held following a call by the Samyukta Kisan Morcha.

The protestors claimed that the scheme is completely opposite to the slogan 'Jai Jawan Jai Kisan' and said that the scheme will crush the country's security and also the dreams of unemployed youths.

To cut down the Government's massive salary and pension bills and free up funds for arms procurement, the Government has taken a wrong decision, the protestors added.

The Samithi members submitted a memorandum at the DC Office to be forwarded to the President of India to roll back the scheme.

Samithi leaders Algudu Shivakumar, Saragur Nataraju, Farmer Association members P. Marankaiah, Mandakalli Mahesh and others were present.

Communist Party of India CPI(M)

Members of Mysuru District Unit of CPI(M) (Communist Party of India-Marxist) staged a demonstration in front of the office of the Operations and Maintenance (O&M) CESC, Divisional Officer, V.V. Mohalla in city seeking reduction in electricity price per unit.

The cost per electricity unit have been increased to 10 - 20 paisa while the commercial electricity per unit has been increased to 15 - 25 paisa which is a burden to the user. Hence, the protesters urged to reduce the prices.

CPI(M), Mysuru District Unit Secretary Jagadish Surya, Basavaraju and others were present.

Karnataka Dalit Sangarsha Samithi

Urging for scrapping of revised school textbooks by the Textbook Revision Committee headed by Rohith Chakrathirtha, Karnataka Dalit Sangarsha Samithi staged a protest in front of the DC Office.

The protesters demanded to retain the textbooks introduced when Dr. Baraguru Ramachandrappa was heading the Textbook Revision Committee. The members of the Samithi also demanded to control money laundering in Thrift Savings Plan (TSP) and Schedules Caste Sub-Plan (SCSP).

Samithi District Chief Convenor Somanna Bannalli, Women Wing Regional Convenor Putta Lakshmamma and others took part in the stir.

Mysuru Kannada Vedike against Katti remark

Mysuru Kannada Vedike activists staged a protest in front of the DC Office condemning the statement of Minister Umesh Katti for division of State from time to time.

"Karnataka is a State of unity. Many great personalities like Alur Venkata Rao, Ma. Ramamurthy and Dr. Rajkumar have worked hard to build a State of prosperity. Umesh Katti is splitting the unity and wants North Karnataka to be a separate State. The Government has to remove him from his post," the protesters, shouting slogans against the Minister, said and urged his suspension.

Vedike District President S. Balakrishna, Office-bearers Bogadi Siddegowda, Ravi and others were present.

Karnataka mulls appointment of Agniveers as PE teachers

Udupi, June 24 (UNI) - Karnataka Social Welfare Minister Kota Srinivas Poojary on Thursday said the State Government is planning to accommodate Agniveers as Physical Education (PE)-teachers-cum-warden posts in residential schools run by the Backward Classes and Social Welfare Departments.

This step comes in the wake of the Central Government offering a bunch of support steps to accommodate Agniveers in various Government Departments after completing four years of service.

"The Ministry is planning a scheme to have Agniveers as 75 per cent of the physical education teachers in about 826 residential schools after they complete the four years of Duty on Tour," Poojary told reporters here.

An action plan will be drafted in consultation with officials of Social Welfare and Backward Classes Welfare, he said.

A suitable roster will be followed to tide over the problem of under-qualification of Agniveers who would be just graduates whereas the residential schools of the Government require Post-Graduate qualification. He also informed that Backward Classes Welfare Department will open three Army selection training schools in Dakshina Kannada, Udupi and Uttara Kannada this month and priority will be given during the training to get the trainees selected as Agniveers.

I am in Delhi for Murmu's nomination, not to discuss Cabinet rejig: Bommai

New Delhi, June 24 (UNI) - Dousing speculations of rejig of his Cabinet, Chief Minister Basavaraj Bommai on Thursday said he has arrived in the Capital City for Presidential elections.

"I have no plans to meet the Central leadership. I came to Delhi for the Presidential polls. I have to be present during the filing of nominations by BJP Presidential candidate Droupadi Murmu tomorrow. After that, I will return to Bengaluru. There are no plans to meet the top brass and deliberate upon Cabinet rejig," he said. Bommai is one of the proposers for Murmu's candidacy.

It was an usual affair to see media speculating on Cabinet rejig whenever he visited Delhi, but the party leaders this time are busy with Presidential elections, Bommai said.

'Ensure victory in at least 10 seats in Mysuru district'

Siddharamaiah tells Congress workers

Mysuru, June 24 (MTY&DM)- With less than a year to go for the Assembly polls, Opposition leader and former Chief Minister Siddharamaiah has tasked party workers with ensuring victory in at least 10 Assembly segments in his home district of Mysuru.

He was speaking after inaugurating 'Nava Sankalpa Chintana Shibira' organised by the City and District Unit of the Congress party at a Kalyana Mantapa near Varakodu Gate on Mysuru-T. Narasipur Road yesterday.

Expressing confidence that the Congress would bag a good number of Assembly seats in Mysuru district, Siddharamaiah said that the party workers should go to the people for explaining them the misdeeds and maladministration of the BJP Government. Contending that the people are fed up with the BJP Governments both at the Centre and the State, he said that the party workers should build a strong opinion in favour of the Congress by highlighting the failures and follies of the BJP Government.

Stressing on the need for sensitising the voters on the achievements of the Congress Government when he was the Chief Minister, Siddharamaiah said that the party must win 10 out of the 11 Assembly seats in the district. Citing the example of the party's victory in the just held Legislative Council polls from South Graduates Constituency where all Congress workers worked with total unity, he said that there is no doubt regarding Congress returning to power if such an unity is shown in the forthcoming Assembly polls. Reminding that the JD(S) which held the seat was pushed to the third place, Siddharamaiah reiterated that the Congress stands a good chance of winning the forthcoming Assembly polls, for which the workers should strive hard for reaching out to all voters.

Commenting on Prime Minister Narendra Modi's recent visit to the city, Siddharamaiah said that the only thing that Mysureans got was some good roads, which were repaired or asphalted just ahead of the PM's visit. Asserting that the road works would not have been taken up, but for the visit of Modi, the Opposition leader charged the State Government of not presenting any memorandum on the State's long pending demands or seeking more grants, to the PM.

Stating that the BJP leaders had thought of welcoming Modi with the party's victory in the LC polls, Siddharamaiah said that did not happen as the people had taught a befitting lesson to the BJP for its misrule and corruption.

N.R. MLA Tanveer Sait in his address, said that the BJP Governments at the Centre and the State were misleading the population through false propaganda. Maintaining that the Congress lost because the party failed in educating the masses on its welfare schemes and initiatives, he stressed on the need for taking on the communal BJP in an organised and strategic manner.

Former Minister Dr. H.C. Mahadevappa wondered what happened to Modi's poll promise of making Mysuru like Paris. Charging Modi of inaugurating schemes formulated by the Congress, he alleged that the BJP was fomenting communal violence and hatred between caste and communities through false propaganda and vilified campaigns.

Asking the Congress workers to have a clear and thorough understanding of the Constitution, Dr. Mahadevappa contended that the country will have no future if the BJP Government is not voted out of power. He asked the Congress workers to ensure the party's victory in the Assembly polls as it is vital in the interests and welfare of the State. Accusing the BJP of working against the Constitution, he maintained that people's welfare, peace and harmony was fundamental to the Congress party which had fought for the country's independence.

KPCC Working President and former MP R. Dhruvanarayan, KPCC Women's Wing President Dr. Pushpa Amarnath, MLAs Anil Chikkamadu, Dr. Yathindra Siddharamaiah and H.P. Manjunath, MLC Dr. D. Thimmaiah, former MLAs Vasu and M.K. Somashekar, City Congress President R. Murthy, District President Dr. B.J. Vijaykumar and a host of Congress leaders were present.

Siddu mimmicks Modi

Taking a dig at the PM, Siddu mimmicked Modi's style of offering 'Namaskar' to the crowd at public gatherings. Bending his body just like Modi does while greeting the crowds, Siddharamaiah also waved at the party workers in typical Modi style. While enacting Modi's style of offering 'Namaskar', Siddu asked the Congress workers if he had got Modi's style perfectly.

Rs. 23 crore for power station at R.T. Nagar

Soaring land prices put MUDA in a tight spot; hinders new layout development

Mysuru, June 24 (RK&BCT)- The Mysuru Urban Development Authority (MUDA) has decided to provide a comprehensive electricity supply to R.T. Nagar. Though R.T. Nagar is touted among the well-planned layouts, till now, the MUDA was unable to provide power connections to the layout and this was hindering its development.

Addressing a press conference at his Office yesterday, MUDA Chairman H.V. Rajeev, accompanied by Commissioner G.T. Dinesh Kumar and MUDA members, said that the MUDA General Body meeting held on June 22 decided to release Rs. 23 crore grant to set up a 66/11 KV power sub-station in R.T. Nagar that will draw power from the main station and supply the same to individual homes.

"At present, people who have purchased MUDA sites in R.T. Nagar had to obtain temporary power connections from Chamundeshwari Electricity Corporation (CESC) and for this, they had to pay a hefty amount. This, in fact, has discouraged many property owners to build houses here. Once the 66/11 KV power sub-station comes up, the procurement of electricity will be easy," Rajeev said.

Other decisions taken at the MUDA meeting include issuing Completion Report (CR) within seven days if the house is constructed as per the approved plan.

Those who violated the approved plan will be given an occupancy certificate after declaring the building fit to be occupied. The meeting also decided to facilitate property owners to obtain bank loans to construct houses by issuing a No Objection Certificate (NOC).

High land costs

On the inability of MUDA to create new layouts, Rajeev said that soaring land prices and the huge gap between the demand for sites and the actual availability of land have put MUDA in a tight spot.

Over the years, MUDA has seen limited success in distributing Civic Amenity sites, residential sites, commercial sites and other non-residential sites and there are more than 1.5 lakh applicants who are waiting for a MUDA plot for many years.

Earlier, the MUDA had announced grand plans to form new layous but none of the plans has materialised. The proposed layouts are Nalwadi Krishnaraja Wadiyar Nagar (36 acres), Swarna Jayanti Nagar (75 acres), Lal Bahadur Shastri Nagar Second Stage (264 acres), Lalitadrinagar Third Stage (108 acres), Shantaveri Gopala Gowda Nagar Second Stage (329 acres) and R.T. Nagar Second Stage (185 acres).

Many layouts proposed

After its plans for forming Ballahalli Layout proved futile due to land acquisition issues, MUDA initiated the process of forming the Bommenahalli Layout in land coming under Bommenahalli, Seegalli and Kamaravalli villages of Yelwal Hobli in Mysuru taluk. This too has achieved little progress.

MUDA follows a 40:60 ratio while taking over the land where its share was 60 percent and the land owner's share was 40 percent. Now it follows a 50:50 ratio to avoid litigations and claims for more compensation. If the ratio is higher than 50 percent, it will not be profitable to MUDA. Notably, one of the main stumbling blocks for MUDA in land acquisition is that the land owners are asking for more share in the layouts.

"We are eager to develop new layouts and provide sites to people as demand is high. But the land prices have shot up and it is not easy to acquire large tracts of land with limited budget. Steep land cost is proving a major hurdle in undertaking new projects," Rajeev added.

Along with other theatre teams in Mysuru, Kalasuruchi has been successfully conducting Annual Mysore Science Theatre Festival and has completed 4 editions.

About the play 'Leelavathi'

Bhaskaracharya is one of the greatest mathematicians of 12th century. Indian mathematical tradition starting from Aryabhata developed further with Brahmagupta, Mahaveeracharya and others. It is said after Bhaskara-II, Indian mathematics declined in quantity and quality. Bhaskara-II has written many books, *Siddhanta Shiromani* being the major one. *Leelavathi* is one of four parts of this book. There have been innumerable commentaries on this book which stands testimony to the depth and popularity of *Leelavathi.*

Faizi, one of the Navaratnas in Akbar's Court, translated this to Persian. Later H.T. Colebrooke translated it to English thus enabling spreading the fame of *Leelavathi* beyond India.

Bhaskara-II is a major milestone in the history of world mathematics. Even today, several research articles are being written regularly. To see a book being revisited after 1,000 years of its first writing, is proof of its relevance.

WORD OF THE DAY

Credulous

Pronunciation: KREJ-uh-lus.
Meaning: A credulous person is ready to believe things based on slight or uncertain evidence. A credulous thing, such as a report or statement, likewise shows that same readiness to believe.
Origin: The cred in credulous is from Latin credere, meaning "to believe" or "to trust." Credulous describes people who would be wise to be a bit more skeptical, or things that ought to be approached with some skepticism. The word has a useful opposite in the term incredulous, which often describes something that shows or suggests one's lack of belief ("listening with an incredulous smile"), or someone who cannot or will not believe something, as in "an outrageous statement that left them incredulous." (You'll do well not to confuse incredulous with incredible.).
Example: "A pair of fraudulent cryptocurrency schemes raked in millions by duping credulous investors, Manhattan and Brooklyn federal prosecutors said Tuesday." — Noah Goldberg

THE ODD WORD

Cacolet

Military mule litter.

PHRASE OF THE DAY

Clarion call

Meaning: A clarion is a high-pitch bugle. A strong and clear request for people to do something. In a literal sense, the call to battle is issued by such an instrument.
Origin: The term 'clarion' comes from the Latin term 'clario', which denotes a trumpet (this, in turn, is related to the Latin 'clarus', which means clear and bright). In the mediaeval period, clarions were distinctly smaller and higher-pitched instruments than trumpets. In The Canterbury Tales (c. 1387–1400), Geoffrey Chaucer references a clarion in a list of instruments used to initiate battle (see the first tale, titled, The Knight's Tale). The idiomatic expression is often said to have arisen early in the 19th century. However, it can be traced to at least as early as 1787. In a lyrical poem published that year, titled, 'Ode for the New Year,' Warton and Parsons wrote: In rough magnificence array'd
When ancient Chivalry display'd
The pomp of her heroic games;
And crested chiefs, and tissued dames,
Assembles, at the clarion's call,
In some proud castle's high-arch'd hall...
Example: All of the citizens heard the clarion call and prepared themselves to defend their city.
